

## Bachelor of Business Administration (BBA)

### Economics - 18 credits

Fall 2025

| Required Courses – 9 credits                   | Semester | Prerequisite course(s)  |
|--|----------|---|
| ECON 329 Intermediate Micro Theory             | Fall     | (ECON 201 & ECON 202 w/C) & (MATH 206 or MATH 171)  |
| ECON 331 Intermediate Macro Theory             | Spring   | (ECON 201 & ECON 202 w/C) & (MATH 206 or MATH 171)  |
| <b>Plus one of the following:</b>              |          |   |
| ECON 472 Time Series Analysis and Forecasting* |          | ECON 210 w/C or MATH 301 w/C  |
| ECON 473 Econometric Methods*                  |          | ECON 210 w/C or MATH 301 w/C  |
| ECON 475 Predictive Analytics*                 |          | (ECON 210 w/C or MATH 301 w/C) & (INFO SYS 301 or INFO SYS 318 or COMP SCI 221 or COMP SCI 262) |
| ECON 476 Sports Analytics*                     |          | ECON 210 w/C or MATH 301 w/C  |

| Plus six additional credits of Econ courses (300/400 level + 400 level) |  |  |
|---|--|--|
| ECON 3XX/4XX  |  |  |
| ECON 4XX  |  |  |

| Additional Requirements – 3 credits         |  |  |
|---|--|--|
| 300/400 level from COB Department Offerings |  |  |

\*Course can only be used to fulfill one requirement

NOTES:

- 1) For Honors students - ECON 208 = ECON 202 and ECON 209 = ECON 201
- 2) Majority of 300/400 level Economics courses (except ECON 329 and 331) can be taken with 30 credits earned.
- 3) No 300/400 level Economics courses require ECON 329 or 331 to be taken first. Take whichever Economics electives interest you as they become available.
