STUDENT SUCCESS IS AT THE HEART OF ALL WE DO

The University of Wisconsin–Oshkosh's Cooperative Academic Partnership Program (CAPP) is a concurrent enrollment program allowing high school students to jumpstart their college careers by earning UW-Oshkosh credits while finishing their high school requirements.

UW-Oshkosh has the only concurrent program in Wisconsin accredited by the National Alliance of Concurrent Enrollment Partnerships (NACEP).

NACEP

CAPP is made possible through the support of hundreds of committed partners, including high school teachers and staff, UW-Oshkosh faculty and instructors and the CAPP administrative team.

SINCE 1975

CAPP HAS PARTNERED WITH HIGH SCHOOLS TO DELIVER COLLEGE CREDITS

Taking CAPP classes in high school allowed me to get a head start on earning credits for college. This has led me to also save a lot of time and money while in school. I would strongly recommend taking CAPP classes.
