

LETTER OF PROGRAM MEMORANDUM FOR Phy Ed 360  
UNIVERSITY OF WISCONSIN OSHKOSH  
DEPARTMENT OF Human Kinetics and Health Education

This memorandum details the agreement between the University of Wisconsin Oshkosh Department of Human Kinetics and Health Education and sites where candidates are enrolled in the class Phy Ed 360.

The Department of Human Kinetics and Health Education will expect the following of the field experience student while at the site:

- Practice effective coaching methodologies when working with the assigned site and field supervisor.
- Develop appropriate coaching or other materials based on team goals set at beginning of the season.
- Reflect on field experience.
- Observe, analyze, practice, and assess within the athletic environment in the role of an assistant coach.
- Maintain professionalism while working with the assigned athletic team and coaching staff.

The site will provide the following:

- An opportunity to assist with a variety of athletic coaching duties and activities in the student's role as an assistant coach for the assigned athletic team.
