

LETTER OF PROGRAM MEMORANDUM FOR PE 421  
UNIVERSITY OF WISCONSIN OSHKOSH  
DEPARTMENT OF Human Kinetics and Health Education

This memorandum details the agreement between the University of Wisconsin Oshkosh Department of Human Kinetics and Health Education and sites where candidates are enrolled in the class PE 421.

The Department of Human Kinetics and Health Education will expect the following of the teacher candidate while at the site:

- Examine assessments (standards based/performance based/formative/summative)
- Assess students in an authentic physical education classroom
- Record performance data and apply to students
- Use technology as assessment tools
- Apply assessment data for program development
- Develop and perform assessments on individuals with unique needs.

The site will provide the following:

- An opportunity to shadow a trained physical education and assist with assessments used within the class including but not limited to performance, affective, and cognitive assessments.
- A sharing of student performance data for the purpose of program development.
