

LETTER OF PROGRAM MEMORANDUM FOR PE 421
UNIVERSITY OF WISCONSIN OSHKOSH
DEPARTMENT OF Human Kinetics and Health Education

This memorandum details the agreement between the University of Wisconsin Oshkosh Department of Human Kinetics and Health Education and sites where candidates are enrolled in the class PE 421.

The Department of Human Kinetics and Health Education will expect the following of the teacher candidate while at the site:

- Apply specific knowledge about key characteristics of the developmentally disabled child.
- A demonstration of understanding of physical education methodologies when teaching the developmentally delayed.
- A demonstration of effective teaching behaviors.
- An opportunity to reflect on field experiences.

The site will provide the following:

- Access to students with developmental disabilities who need special physical education services.
- A trained specialist to offer feedback.
