

NURSING

MAJOR FACT SHEET

The UW Oshkosh undergraduate nursing program prepares caring and scholarly nurse leaders for entry into evidence-based practice. The undergraduate curriculum builds on the foundation of the arts, sciences and humanities, with nursing courses that incorporate cutting-edge technology, diverse educational methodologies and state-of-the-art clinical laboratories.

AVERAGE ANNUAL STARTING SALARY

UWO Graduate
\$59,784

National
\$59,532

STUDENT ORGANIZATIONS

- **Oshkosh Student Nurses' Association (OSNA)** – a pre-professional organization dedicated to the health and wellness of others by providing numerous volunteer opportunities and networking opportunities with professional nurses.
- **American Association of Men in Nursing** – the mission is to support men in nursing, link the academic environment with the nursing workplace and challenge the status quo related to men in nursing.
- **Sigma Theta Tau (International Honor Society of Nursing)** – the mission is to advance world health and celebrate nursing excellence in scholarship, leadership and service.
