Date of Last Revision:	April 17, 2024
Purpose:	To identify process guidelines for distribution of the UW System 2023-25 pay plan funds for eligible faculty and staff at UW Oshkosh.
Summary:	<p>The pay plan will be allocated and distributed in two installments, each with a separate effective date. The effective dates are 7/2/23 and 6/30/24, with a 4% and 2% increase respectively. Effective dates for 9-month employees are based on the start of the academic contract year. Final approval will come from JCOER.</p> <p>Increases will be distributed based on both UW System Administrative Policy 1278 and the guidelines outlined in UW Oshkosh handbook policy Gen 2.2 – Salary Adjustment Guidelines.</p> <p>Policy GEN 2.2 states that if the adjustment package is 2% or less, salary adjustments will be distributed on an equal percentage basis to all individuals judged to be solid performers. Any individuals that do not receive a rating that supports solid performance will not be eligible for an increase.</p> <p>For the 2023-2025 Pay Plan, the Chancellor will withhold 15% for discretionary purposes from the first installment. The remaining amount will be distributed equally amongst all solid performers, which has been approved by the Chancellor as an exception from GEN 2.2. Discretionary funds will be used for parity adjustments for faculty based on the document adopted by Faculty Senate named “Salary Equity Process Technical Document – Faculty”. No discretionary funds will be used for the 2nd installment.</p>
