Class Descriptions:

Total Titan is a full body workout integrating upper and lower body strength, core and cardiovascular exercises. Workouts will vary class to class. All abilities are welcome and classes are offered in-person or virtual.

Cardio TRX is a balanced workout between cardio and TRX strength. Non-TRX options are offered for those who do not have a TRX. This class will be held virtually only.

Cycling will take you on a mixed terrain of flat roads, rolling hills and larger climbs. New to the bike? No worries - take this class at your own pace. Perfect for beginners and advanced cyclists.
