BEFORE YOU APPLY

1. Calendar the deadline for completing the On-line Study Abroad/Away Orientation. Failure to complete orientation by the deadline will affect your ability to participate.
2. Calendar all payment deadlines. If you aren’t the person making payments, share this with the person who is.
3. Understand how program seats are assigned.
4. Ensure that you are eligible.

SECURING YOUR PLACE

Seats are assigned in the order in which eligible applicants complete application STEPS I & II, provided STEP III is also completed by the STEP III application deadline.

This means that you may be conditionally admitted following completion of STEPS I & II, but NOT receive a seat if you then fail to complete STEP III on time.

If you are on the waiting list, you may receive a seat if applicants who have been conditionally admitted have not completed STEP III by the deadline.

After the deadline, seats are assigned in the order in which qualified applicants have completed all three steps.
