Notes:

Data for this report is obtained from the UW System Accountability Dashboard - Progress and Completion.
<https://www.wisconsin.edu/accountability/progress-and-completion/>

Data is based on new freshmen enrolling full-time in the fall semester at four-year campuses and returning the following fall.

Beginning with the fall 2017 cohort, retention at same UW includes retention at the four-year campus and its affiliated two-year campus(es).

Underrepresented minority (URM) students include those who indicated African American, American Indian, Hispanic/Latino(a), or Southeast Asian alone or in combination with other race/ethnicities.

To protect student privacy, retention data is not available when the entering cohort contains five or fewer students.
