

August 28, 2019

Dear Colleagues,

I am thrilled to welcome you to the University of Wisconsin Oshkosh! This incredible, inclusive and life-changing institution is, as our mission states, home to talented faculty and staff members who provide a high-quality liberal education to all students in order to prepare them to become successful leaders in an increasingly diverse and global society. You bring new knowledge and experience that deepens and broadens UWO's collective achievement.

Our campus community takes pride in the quality of the education we shape and is committed to inclusive excellence and the lifelong success of our students. Equally important, we value the strength of the relationships we have with one another as part of a thriving academic community.

UW Oshkosh is an educational leader and a cultural and economic force in our region and state. Our commitment to is second to none and is reflected by the tremendous partnerships and collaborations we have with local governments, school systems, nonprofits, companies and other organizations throughout northeast Wisconsin and beyond.

The strength of our campus community lies in our commitment to teaching excellence. Our institution fully embraces a balance between the commitment to teaching and scholarship aspirations relating to research, artistic and intellectual activities, and service to our internal and external constituencies. Because of that balance, living, learning, teaching and working at a comprehensive university is a special experience.

Best wishes for a successful start to the 2019-2020 academic year and the journey ahead.

Sincerely,

Andrew J. Leavitt

Chancellor
