

# Removing Menu

The screenshot shows the 'Terri's Student Center' interface. At the top, there are links for 'Personalize Content' and 'Layout'. A callout box labeled '2. Click Here' points to the 'Content' link. On the left, a 'Menu' sidebar is visible with a search bar and a list of items: 'My Favorites', 'Self Service', 'Set Up SACR', 'Change My Password', and 'Setup Password Hint'. A callout box labeled '1. To Remove this Menu' points to the 'Change My Password' item. The main content area shows various sections like 'Academics', 'Grades, STAR & More', and 'Finances'. A message states 'You are not enrolled in classes.' and a 'Balance Summary' table shows a 'Current Balance' of '\$0.00'.
