Once logged into Titan Web, the **Faculty Center** default home page should appear. If the **Faculty Center** page does NOT appear, click on the **Self Service**, then **Faculty Center/My Schedule** links off the **Menu** on the left side of the web page.

On the **Faculty Center** page, note the *default term* that appears; click on **Change Term** to select a different term, if necessary.

The **Select Term** page appears. Select the desired term by clicking on the appropriate radio button; then click on the **Continue** button.

You will see a list of all classes ([My Teaching Schedule](#)) for which you have been assigned as the instructor, *even if no students are enrolled in the class*. **If students are enrolled in the class, the [Class Roster](#) icon will appear next to the class.** Click on the [Class Roster](#) icon next to the class if you want to view a list of enrollees.
