

Lake Winnebago Region Restructuring  
Project Decision

<b>Originating Work Group or Department:</b>	<b>Alumni Work Group</b>
<b>Date Submitted for approval:</b>	<b>11-12-18</b>
<b>Decision Title:</b>	<b>Alumni Outreach</b>

<b>Recommended Decision</b>
<p>1-Cross reference UW-Fond du Lac and UW-Fox Valley campus alumni lists with existing UW Oshkosh alumni database and note any alumni who hold a degree from more than one UW Oshkosh campus.</p> <p>2-Include alumni names from all three campuses in one UW Oshkosh alumni database.</p> <p>3-Add alumni from UW-Fond du Lac and UW-Fox Valley campuses beginning with summer 2018 graduates.</p> <p>4-Host alumni events on all three campuses to better integrate alumni programming in future.</p>

<b>Background</b>
UW-Fond du Lac and UW-Fox Valley do not have traditional alumni databases. There has been limited alumni-specific programming on the access campuses.

<b>Budget Implications</b>
None currently. Looking ahead, when database exceeds number of alumni records allowed under current database contract, additional costs may be incurred for record keeping. Expanding alumni outreach and programming to three campuses may also incur additional costs in the future. No estimate available on specific costs until the number of alumni records being added can be assessed.

<b>Next Steps</b>
<p>-Compare lists of degree recipients from all three campuses to identify any UW-Fond du Lac or UW-Fox Valley associate degree recipients who also earned an additional degree from UW Oshkosh.</p> <p>-Add graduates from UW-Fond du Lac and UW-Fox Valley campuses to combined database on Oshkosh campus beginning with summer 2018 graduates.</p>
