Project Decision

Originating Work Group or Department:	Access Campus / Academic Affairs
Date Submitted for approval:	03/24/2021
Decision Title:	Mileage for faculty/staff travel to and from Oshkosh campus

Decision

Faculty who teach away from their assigned home campus because of an academic assignment, and department chairs / faculty assigned to classroom visitations and evaluations can access travel reimbursement for which they are eligible. The budgeted amount will be under the control of the relevant academic colleges and is accessible for purposes on all three campuses

Background

The FY22 and ongoing base allocation is \$12,000

Next Steps

This was presented at Cabinet (March 2021) and recommended by VCRG (March 2021)
