

Lake Winnebago Region Restructuring
Project Decision

Originating Work Group or Department:	Access Campus / Information Technology
Date Submitted for approval:	03/24/2021
Decision Title:	Faculty/Staff (Office/Work Location) Replacement and Rotation

Decision

Based on a detailed study of the faculty and staff (offices / locations) on access campuses and using best practices of equipment updates and existing UW Oshkosh specifications, we have planned an effective cycle of computer / equipment replacement (and rotation to other areas) on access campuses. Centralized funds from CITS (UW Colleges) were not returned to UW institutions for this purpose.

Background

The FY22 and ongoing base allocation is \$30,800 [Fox Cities: \$19,600; FDL \$11,200]

Next Steps

This was presented at Cabinet (March 2021) and recommended by VCRG (March 2021)
