**STUDENT EVALUATION
OF FIELD INTERNSHIP EXPERIENCE**

Agency Name:

Unit:

Agency Field Instructor:

Date:

Mark one: () BSW ()MSW Foundation () MSW Advanced

The information you provide about your experiences in the field internship will be used by the Department of Social Work Field Coordinators to guide selection and training of approved community internship placements. We appreciate your thoughtful and complete responses to the questions.

1. Please discuss your understanding of the agency's values and philosophy of service.
2. Please identify those field agency employees (and their educational degree) who provided you with knowledge, direction and/or encouragement. Discuss the importance of those interactions.
3. Describe your relationship with your Agency Field Instructor.
4. What were the strengths of the internship setting?
5. What were areas of improvement of the internship setting?
6. What recommendations do you have for the Department of Social Work regarding internships at this agency?
