

# Wisconsin GI Bill-Dependent Online Application Instructions

## 1. Get Started

The veteran will need to visit [mywisvets.com](http://mywisvets.com) and register for an account. It will ask for supporting documentation, which will be the veteran's DD214.

## 2. Login & Add Dependent

Once the state reviews the document, the veteran will be able to log back in. From there the veteran will need to add the dependent. For this they will need to upload a copy of the birth/marriage certificate (proof of relationship to veteran), and the veterans disability letter.

## 3. Select the Application

From there the veteran will go to the Eligibility Matrix and select WI G.I. Bill- Dependents, which will bring up the application.

## 4. Receive Notification

Once approved, an official notification will be sent. Please contact the UW Oshkosh Veterans Resource Center so we can retrieve the Certificate of Eligibility from the state portal.
